DD/S&T-2792-64

MEMORANDUM FOR: Director of Personnel
ATTENTION : Chief, Salary and Wage Division
THROUGH : Deputy Director for Science and Technology
SUBJECT : Revised Staffing Complement for the
Foreign Missile and Space Analysis Center

1. Attached is a proposed staffing complement for
the Foreign Missile and Space Analysis Center which reflects
the currently authorized ceiling of [redacted]. The
basic organization has been continued, i.e., four divisions
- under the Office of the Director, FMSAC.

2. The position of Chief, Signal Analysis Division
has been shown as GS-16. A separate memorandum is going
forward to the DCI requesting approval for the appointment
of [redacted] as a GS-16 to occupy this
position.
